ELKHART COMMUNITY SCHOOLS

Pierre Moran Middle School has a rich history of culture and diversity that is embraced by students, staff, parents, and the community. Within Pierre Moran, you'll find amazing teachers and staff who strive to build connections with each student.

At Pierre Moran, you'll also find an award-winning musical program, which has received a gold medal distinction every year for the past 34 years. Pierre Moran is also fortunate to have a unique partnership with Premier Arts - Elkhart's resident theatre of the Lerner Performing Arts Center - whose on-site instructor guides our theatre arts curriculum. Our partnership with Premier Arts opens our students' eyes to a world of expression through theatre arts.

Pierre Moran is also building a focus on STEAM-based curriculum in collaboration with the University of Notre Dame, as well as 21st Century skills, to best prepare our students for success in high school, and eventually college and careers.

We welcome you to visit Pierre Moran for a tour and to understand the long legacy of our great school.
