| Indiana Literacy Early Intervention Grant | Indiana Department of Education | Elkhart Community Schools | Tara White | | of Literacy, and will be used for the continued professional development and acquisition of teacher resources to support our | We will continue to pursue an intense professional development plan with our teachers that aligns with our district focus and goals to strengthen Tier 1 instruction and the implementation and evaluation of evidence- based, best practice literacy strategies in their classrooms. This professional development will target teacher skills in implementing the 90- minute reading block, with emphasis on small- group guided reading, so that the students will make substantial yearly gains based on beginning and ending assessments on grade level benchmarks. The IDOE released the allocations for the grant for each district on 9/16/20, which then allowed for the grant application to begin. Due to the short window of time from receiving the allocation amount on 9/16/20 to the 9/17/20 deadline for submitting information for the 9/22/20 school board meeting agenda, I was not able to finish and finalize the application. The deadline for the grant submission to the IDOE was 10/7/20, so I am respectfully submitting it for approval at the next available meeting of the Board of School Trustees on 10/13/20. | Technical/Contracted Services with Smekens Education - \$20,698.90; Supplies and Resources - \$13,799.27. | 10/7/2020 |
| Teacher Leader Boot Camp | IDOE | Pinewood Elementary | Jason Rybinski | | | The grant funding will provide teachers the skills and strategies needed to develop their personal leadership capacity, ability to positively affect their professional learning communities (PLCs), and help other teachers bridge the gap between research and practice. The paperwork from the IDOE did not indicate this was a grant, it was discovered when the final report was received. | \$1000 for hotel, mileage and substitute cost \$3000 for stipend | 8/16/2019 |

RE: BUS DRIVER AND HELPER RETENTION PAYMENTS

The Administration is seeking authorization to continue paying a retention payment to our contracted bus drivers as well as the authority to expand this program to include bus helpers. This program has been beneficial in the corporation's efforts to continue to provide transportation services for students enrolled in our schools.

The program would operate under the following guidelines. Bus helpers and contracted bus drivers who have successfully completed probation will be eligible to receive a retention payment of \$250.00 each semester provided they were employed by the school corporation as a bus helper or contracted driver for four or more hours each day during the immediately preceding semester, and continue in an active employment status as a helper or contracted driver. Retention payments will be made to qualified helpers and contracted drivers during the months of February for the first semester and September for the second semester.

In addition to retention payments for contracted drivers, the district will pay retention payments totaling \$250 to drivers paid by claim who regularly drive three or more days per week each semester. These payments, like those for contracted drivers, will be paid in February and September.

In addition to this retention program, the administration is seeking authorization to continue its successful Driver Recruitment and Referral Program. This program provides the following incentives which serve as inducements for individuals to seek employment in our district as a bus driver:

- A \$1,000 sign on bonus for those individuals who hold a CDL with all proper endorsements. Drivers possessing these qualifications who successfully complete probation will receive the bonus in four separate quarterly payments of \$250.
- A \$500 sign on bonus for individuals without a CDL who successfully complete both the school bus driver training program offered by Elkhart Community Schools and probation.
- A \$250 referral bonus will be paid to <u>any</u> Transportation Department employee who recommends a candidate who successfully completes both the school bus driver training program offered by Elkhart Community Schools and probation.

WHERE LEARNING HAS NO LIMITS

In order for a previously employed bus driver, who has been rehired as a bus driver, to receive the sign on bonus or for an employee to receive the referral bonus, the bus driver must have a break in employment of three (3) years or more.

Individuals in training to be a bus driver and qualify for a Commercial Driver's License (CDL) will be paid a rate of \$13.25 per hour. Once the driver candidate is in possession of a CDL, the candidate will be paid the bus driver's probationary rate for attendance at the two (2) day training required by the State of Indiana.

This program is supported by funding received as a result of the referendum approved by the voters in 2014.

Form for Class I Libraries State Form 31873 (R5 / 5-17)

INSTRUCTIONS: (See IC 36-12-2-19; IC 5-4-1-1.2; IC 5-4-1-4)
1. Appointing Authority completes the "Appointment" section then delivers this Certificate of Appointment to the board appointee in person or by mail.
2. Within 10 days of receiving the Certificate of Appointment, the library board appointee must take the oath of office and ensure the "Oath of Office" section is completed. The oath may be administered by the circuit court clerk, a notary public, or anyone else authorized under IC 33-42-4-1 or IC 33-42-9-7 to administer oaths.
3. The library board appointee must file the completed Certificate of Appointment with the library and with the clerk of the circuit court of the county in which the library is located. The form must be filed with the clerk of the circuit court not later than 30 days after the board term begins.

TECHNOLOGY SERVICES PHONE: 574-262-5676

ELKHART COMMUNITY SCHOOLS J.C. RICE EDUCATIONAL SERVICES CENTER 2720 CALIFORNIA ROAD • ELKHART, IN 46514 PHONE: 574-262-5500

To: Dr. Thalheimer Board of School Trustees
From: Jason Inman
Date: October 5th, 2020
Subject: Common School Fund Loan

The Indiana Department of Education makes available low-interest loans for technology projects via the Common School Fund. Based upon current enrollment, ECS qualifies for a loan of \$1,170,300. The Business Office seeks Board approval to take advantage of these below-market interest rates to fund technology purchases that cannot be financed by other sources of available revenue. A loan from the Common School Fund will allow us to continue our refresh program for student and teacher mobile devices as we provide 1:1 instruction at all grades. The State Board of Education has designated several millions of dollars for technology loans. I am including a budget summary with additional information.

WHERE LEARNING HAS NO LIMITS

Per statute, "Educational technology program means for the purchase, lease or financing of education technology equipment; operation of the educational technology equipment; or training of teachers in the use of educational technology equipment."

NOTES:

- Cost breakdown should represent a complete project. Department budgets will not be accepted as support.
- Only professional development costs that are directly related to the training of teachers in the use of the educational technology will be considered. Direct costs include specific course offerings or contractual training services provided onsite.
- Technology considered administrative in nature may not be considered for a Common School Loan (i.e. phone systems, computers/laptops for support staff, etc.)

5. Technology project description

This technology project will continue our student and teacher iPad refresh plan. Elkhart Community Schools achieved full 1:1 status for K-12 students at all grade levels in February of 2020.

6. Technology cost breakdown by site-include as attachment if necessary: (if purchasing equipment or services, include the number of items and estimated cost by item). If a facility will not benefit from the technology project, it is not necessary to list it.

| Building | Item Description | Cost per Unit | # of Units | Total Cost |
|-------------------------------|------------------|---------------|------------|------------|
| example John Smith Elementary | iPad mini | \$500 | 100 | \$50,000 |
| | 1 | | | |
| | | | | |
| | | TAC | | |
| PLEASE S | | | | |
| | | | | |
| | | | | |
| | | | | |

7. Technology project integration points (How will this loan support the current technology plan and strategic vision for the school district in terms of academic achievement?)

The loan will allow Elkhart Community Schools to continue our student and teacher iPad refresh plan, providing teachers and students with the latest mobile device technologies in support of our 1:1 program.

8. If the school corporation has received a Common School Loan for Technology in the last three years, how much was received and how were the funds used? \$ 6,098,500

In 2018, the school district received two loans totalling \$2,469,111 to make our high schools and elementary schools 1:1. In 2019, two loans totalling \$2,422,093 were used to complete our 1:1 deployments and achieve full 1:1 status at all grade levels. In 2020, the district received \$1,207,296 to refresh our freshmen and some teacher iPads.

9. How will the impact of this loan be measured to ensure successful implementation of technology in the school district?

Principals and district-level administrators evaluate the use of technology and its impact on instructional practice and student performance in the areas of Instruction and Learning, Communication and Data, and Technology. Our ongoing and continuous measurement of success of the project will allow us to adapt to changing circumstances and adjust the plan as conditions warrant.

10. If the school has received a School Technology Advancement Account (STAA) loan in the last three years, how much did the school receive and how were the funds used? <u>\$741,640</u>

The school district received STAA loans of \$249,880, \$242,480, and \$249,280 in 2018, 2019, and 2020 respectively. These funds allowed us to enhance instructional spaces in several classrooms throughout the district.

Certification Superintendent, School Corporation dent, School Board ATTEST: Secretary, School Board STATE OF INDIANA ELKHART COUNTY) Subscribed and sworn before me this 2nd day of October, 2020. Ausan Dre Printed Name_SUSAN GTT

Dr. Jennifer McCormick Superintendent of Public Instruction

Working Together for Student Success

Common School Fund

Loan types and definitions

- <u>Educational Technology</u> Educational technology program means for the purchase, lease or financing of education technology equipment; operation of the educational technology equipment; or training of teachers in the use of educational technology equipment. Available to public schools and school corporation career and technical education centers.
- <u>School Building Construction</u> School building construction program means the purchase, lease, or financing of land, the construction and equipping of school buildings, and the remodeling, repairing, or improving of school buildings by a school corporation or career and technical education school. Available to public schools and school corporation career and technical education centers.
- <u>School Technology Advancement Account (STAA)</u> STAA funds are for the purchase of computer hardware and software to be used for student instruction and for the development and implementation of innovative technology projects. Available to public schools and school corporation career and technical education centers.
- Charter and Innovation School Advance Program- administered by the State Board of Education

Availability of advancements

Common School Educational Technology and School Building Construction loans are available and offered twice a year in the spring and fall contingent on approval by the State Board of Education.

School Technology Advancement Account loans are offered once a year by the Department.

Amount available each period

The available amount for Common School Educational Technology and School Building Construction loans varies each period and is determined based on the amount of unreserved funds in the Common School Fund at a given time. On average, the amount offered ranges from \$25 million to \$50 million for both loan types. There is \$5 million appropriated for STAA loans each year from the Common School Fund.

Maximum allowed per applicant

- Educational Technology Current ADM multiplied by \$100
- School Building Construction may not exceed the greater of \$15 million <u>or</u> the Number of students accommodated by the project multiplied by \$15,000
- STAA DOE-PE divided by 25 multiplied by \$500 (if available, plus funds on a per pupil basis)

Loan agreements

Once loans are approved by the State Board of Education, the Treasurer of State's office executes the loan agreements and processes all claims.

Repayment period

- Educational Technology may not exceed 5 years
- School Building Construction may not exceed 20 years
- STAA 2 to 5 years depending on the loan amount (established by Treasurer of State)

Payment 1 4 1

Payment for advances are taken as a reduction to the school corporation's Basic Tuition support.

Common School Loan Fact Sheet

The Indiana code allows for advancements from the Common School Fund to be used for technology and school building construction loans by public school corporations and career and technical education centers.

From years 2009 through 2016, 109 school corporations eligible to take out Common School Loans have utilized the loan program. To date, no school corporation career and technical education centers have requested a construction or technology loan.

\$50,000,000.00 \$40,000,000.00 \$30,000,000.00 \$20,000,000.00 \$10,000,000.00

• Technology loans continue to increase over time. While available funds are split equally between technology and construction, technology requests tend to be overwhelmingly higher than construction requests and those funds available for construction are reallocated to technology.

\$20,000,000.00 \$15,000,000.00 \$10,000,000.00 \$5,000,000.00

\$-

• Construction loans vary from year to year. Due to more stringent statutory eligibility guidelines for construction loans, there is a limited number of schools that seek construction loans from the fund.

• STAA advancements have he years. The

remained steady over the years. The requirements for this particular program are broader in nature. Additionally, schools have the ability to request more funds beyond the calculated eligibility amount. Therefore, nearly all of the STAA allocation is awarded annually.

\$6,000,000.00 \$5,000,000.00 \$4,000,000.00 \$3,000,000.00 \$2,000,000.00 \$1,000,000.00 \$-
