

PLAN 2 - SAMPLE ELEMENTARY DAY

Please note, every teacher is different. The individual virtual classroom schedule of instructional time, virtual group work, hands-on work, and independent work will vary by teacher, as it would in any traditional classroom.

PLAN 2 - ELEMENTARY DAY

- Students will complete 60 minutes of reading and math per day. Students will complete 60 minutes of science, social studies, and specials per week. Students in kindergarten and first grade will complete 45 minutes of independent work per day. Students in grades 2-3 will complete 60 minutes of independent work per day. Students in grades 4-6 will complete 90 minutes of independent work per day.
- Virtual teachers will work in conjunction with their hybrid grade level team to plan instruction based on essential standards. Collaboration and planning will be ongoing in order to align curriculum and pacing so that virtual learners experience consistent learning targets at the same pace as their in-person peers.
- Friday is eLearning for all students in all groups. Within their Seesaw account, students will be provided an agenda for that day's learning. This learning will be completed independently; however, each teacher will have at least two hours of designated time in which parents or students can contact them if needed.

Sample Elementary Day	
8:30am	Student logs on to Seesaw and checks for announcements.
8:35am	Morning meeting with teacher/virtual classmates (mandatory Google Meet)
9:00am - 9:30am	Reading Instruction (recorded lesson/live meeting using Google Meet)
9:30am - 11:00am	Individualized Reading Groups (Google Meet) Group A = 9:30 to 10:00 // Group B = 10:00 to 10:30 // Group C = 10:30 to 11:00 <i>Note: Your student is assigned to only 1 of these reading groups. While they are not meeting with their teacher within a small reading group, students will complete independent work.</i>
11:00am - 11:30am	Writing (mandatory Google Meet or recorded lesson)
11:30am - 1:00pm	Break for Lunch and Specials
1:00pm - 1:45pm	Math Lesson (mandatory Google Meet or recorded lesson)
1:45pm - 2:45pm	Small Group Math Support (Google Meet) Group A = 1:45 to 2:05 // Group B = 2:05 to 2:25 // Group C = 2:25 to 2:45 <i>Note: Your student is assigned to only 1 of these math groups. While they are not meeting with their teacher within a group, students will complete independent work.</i>
2:45pm - 3:30pm	Students' Independent Work Time <i>Teacher available to conference via Google Meet or to answer questions using email/phone</i>
