PROOF OF INSURANCE

The Elkhart High School Athletic Departments do not provide insurance for student athletics. However, there is an inexpensive insurance through Student Athletic Protection, Inc. that is available through an outside carrier for those families that may be interested. If you are interested there is information available for pick-up in the Athletic Director's office at Central and Memorial High Schools.

Hoosier Healthwise is also another choice for families to locate less expensive insurance coverage for their children. You may get more information on this program by going to www.in.gov. This web site will provide information so each family may decide if this is something you want to pursue.

Please complete this form by placing a check mark in one of the two boxes.

Students are not allowed to take part in athletic programs, which includes practices, until this form is on file in the Athletic Director's office.
