## SECTION 1: OVERVIEW/GENERAL INFORMATION:

### **McKinney-Vento Homeless Assistance Act:**

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (McKinney-Vento Act). The McKinney-Vento Act was originally authorized in 1987 and most recently re-authorized in December 10th, 2016 by the Every Student Succeeds Act (ESSA). The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, State educational agencies (SEAs) must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging State academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. SEAs and local educational agencies (LEAs) are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youths.

### **Definition of Homeless (McKinney-Vento Act Sec. 725(2); 42 U.S.C 11435(2)):**

Children who lack a fixed, regular, and adequate night time residence:

- ✓ "Double up" - Sharing the housing of others due to the loss of housing, economic hardship, or similar reasons.
- ✓ Living in motels, hotels, trailer parks, camping grounds, due to lack of adequate alternative accommodations.
- ✓ Living in emergency or transitional shelters.
- ✓ Living in a public or private place not designed for humans to live.
- ✓ Migratory children living in above circumstances
- ✓ Living in cars, parks, abandoned buildings, substandard housing, bus or train stations, or similar settings
- ✓ Unaccompanied Youth - Children or youth who meets the definition of homeless and not in the physical custody of a parent or guardian

### **Residency and Educational Rights:**

Students who are in temporary, inadequate and homeless living situations have the following rights  
In Elkhart Community Schools

- ✓ Immediate enrollment in the school they last attended or the school in whose attendance area they are currently staying even if they do not have all of the documents normally required at the time of enrollment;
- ✓ Access to free meals and textbooks, Title I and other educational programs and other comparable services including transportation;
- ✓ Attendance in the same classes and activities that students in other living situations also participate in without fear of being separated or treated differently due to their housing situations.

### **Procedures for the Dissemination of Educational Rights:**

All schools within the **SCHOOL Corporation NAME** shall ensure that public notice of the educational rights of students and families in homeless situations is disseminated where children and youth receive services under the McKinney-Vento Act. Posters in both English and Spanish will be posted in all school buildings, local shelters, local hotels, the local post office building, city hall, local library, and local food banks.

## **SECTION 2: IDENTIFICATION AND ELIGIBILITY**

### **Title 1 Services and Funding:**

In **Elkhart Community Schools**, all children and youth who qualify for McKinney-Vento services are automatically eligible for Title I, Part A services, whether or not they attend a Title I, Part A school or meet the academic standards required of other students for eligibility (Title I of the Elementary and Secondary Education Act, Sec. 1115(b)(2)(E); 20 U.S.C. 6315(b)(2)(E)). This automatic eligibility acknowledges that the experience of homelessness puts children and youth at significant risk of academic failure, regardless of their previous academic standing. Additionally, all City School children and youth who qualify for McKinney-Vento services who are doing well academically are entitled to receive additional non-instructional education related support services needed to succeed in school.

### **School Selection:**

**Elkhart Community Schools** will keep students in homeless situations in their school of origin defined as the school attended when permanently housed or the school in which they were last enrolled, unless it is against the parent or guardian's wishes or unless it is determined to be in the student's best educational interest. Students and youth who qualify for McKinney-Vento Services are eligible to remain in their school of origin for the entire duration in which they are homeless and until the end of any academic year in which they move into permanent housing. Students and youth who qualify for McKinney-Vento Services may also choose to enroll in any public school that students living in the same attendance area are eligible to attend.

### **Procedures to Identify and Verify Eligibility of McKinney-Vento Students:**

Every current, returning, and new student in the **Elkhart Community Schools** must complete online enrollment via the district's School Management System known as Skyward. One of the forms to be completed online is the **Elkhart Community Schools** McKinney-Vento Residency Questionnaire and Form (Appendix A). This **Elkhart Community Schools** McKinney-Vento Residency Questionnaire and Form will be utilized to determine if the student is facing a homeless situation. Follow-up contact to verify the information provided on the **Elkhart Community Schools** McKinney-Vento Residency Questionnaire and Form will be conducted within 5 days of the completion of online enrollment by either the district or a building level McKinney-Vento liaison.

## SECTION 3: SERVICES AND STANDARDS

## McKinney-Vento Act Residency & Educational Rights Information

(Questionnaire must be completed for each student)

In Indiana over 19,000 children experience homelessness each year. The McKinney-Vento Homeless Assistance Act was created with the goal of ensuring the enrollment, attendance, and success of homeless children and youth in school.

The McKinney-Vento Act provides certain rights for homeless students. This includes waiving certain requirements such as proof of residency when students are enrolling and allowing eligibility for certain services, such as free textbooks.

When families and students find themselves in transition due to their housing situation, it is important that they know their rights regarding education. If students meet the requirements as stated in the McKinney-Vento Act (42 U.S.C. 11431), their rights are as follows:

- ✓ Students may attend their school of origin or the school where they are temporarily residing.
- ✓ Students must be provided a written statement of their rights when they enroll and at least two additional times per year.
- ✓ Students may enroll without school, medical or similar records.
- ✓ Students have a right to transportation to school.
- ✓ Students must be provided a statement explaining why they are denied enrollment or any other services.
- ✓ Students must receive services, such as transportation, while disputes are being settled.
- ✓ Students are automatically eligible for Title I services. *Educational services for which the homeless student meets eligibility criteria including services provided under Title 1 of the Elementary and Secondary Education Act or similar State or local programs, educational programs for students with limited English proficiency.*

According to the U.S. Department of Education, people living in the following situations are considered homeless:

- ✓ Doubled up with family or friends due to loss of housing or economic hardship
- ✓ Living in motels and hotels for lack of other suitable housing
- ✓ Runaway and displaced children and youth—Unaccompanied Youth
- ✓ Homes for unwed or expectant mothers for lack of a place to live
- ✓ Homeless and domestic violence shelters
- ✓ Transitional housing programs
- ✓ The streets
- ✓ Abandoned buildings
- ✓ Public places not meant for housing
- ✓ Cars, trailers (does not include mobile homes intended for permanent housing), and campgrounds
- ✓ Migratory children staying in housing not fit for habitation
