Paid Leaves, Compensatory Time and Professional Assignment

A. Paid Leaves

1. In General

- a. Additional leave information is available in Board Policy 3430.02AC (Family or Medical Leave of Absence Policy) and from the Human Resources Office.
- b. A leave may be granted for a period of time not to exceed one (1) year. Successive leaves may be granted.
- c. The leave shall be used for the purpose for which it was granted. The taking of a leave will not allow the teacher to accrue more rights than she or he would have acquired had the leave not been granted.
- d. For any health-related leave, a physician's statement is necessary prior to the commencement of, and the return to work from, the leave, setting forth the need for such leave or the ability to again resume the duties of a teacher.
- e. Any person who has been granted leave by the Board shall be eligible to participate in the group insurance program at his or her own expense by paying the premiums in advance. Arrangement for payment shall be made through the Business Office.
- f. Any teacher on leave has the responsibility to properly notify the employer according to the date given for the respective leave by stating the teacher will:
 - (1) request an additional leave, or
 - (2) return to employment, or
 - (3) resign.
- g. If the teacher does not comply with the return provisions for any leave granted, then all rights to employment are forfeited.

- i. A teacher who teaches courses of regular length and applicable for student credit or driver education may have excused absences charged against accumulated illness absence or personal business subject to the restrictions below. For sessions of 20 days or less only one (1) absence may be used. For all other sessions a maximum of two (2) absences may be used. Exceptions to the foregoing limitations, e.g. bereavement, professional assignments, etc., may be authorized in writing by the Superintendent. PAID LEAVES, COMPENSATORY TIME AND PROFESSIONAL ASSIGNMENTS

B. Jury Duty and Witness Duty

1. Jury Duty

In the event a teacher is summoned to serve as a juror in a court of law, the teacher shall be granted absence for jury duty for the time during the normal school day which the teacher is required to fulfill the duties of a juror. Such absence shall result in no loss of salary. When the teacher is in receipt of his/her jury duty check, a copy of the check shall be presented to the payroll office, whereupon a deduction equal to jury duty pay will be made from the next payroll check.

2. Witness Duty

In the event a teacher is subpoenaed to serve as a witness, except in cases noted below, and gives testimony before a court of law or governmental administrative agency, the teacher shall be granted absence to witness for the time during the normal school day which the teacher is required to be present. Such absence, up to three (3) days for any one case, shall result in no loss of salary. For cases involving extended absence to witness, the Superintendent may grant additional days with pay, with substitute deduction, or without pay. When the teacher is in receipt of his/her witness duty check, a copy of the check shall be presented to the payroll office, whereupon a deduction equal to witness duty pay will be made from the next payroll check. The teacher will not be paid when such testimony is given in any employee relations related litigation involving the employer of any other school employer, unless the employer subpoenas the teacher to testify.

C. Military Leave

Military leave will be granted in accordance with and as mandated by state or federal statutes governing such leave.

D. Maternity Leave

Any teacher who is pregnant may continue in active employment as late into pregnancy as she desires, if she is able to fulfill the requirements of her position. Temporary disability caused by pregnancy shall be governed by the same provisions governing illness and by the following:

1. Any teacher who is pregnant is entitled to a leave any time between the commencement of her pregnancy and one (1) year following the birth of the child, if, except in a medical emergency, she notifies the Superintendent at least thirty (30) days before the date on which she desires to start her leave. Temporary contract teachers may take a leave, but only during the period of the temporary contract. When it is mutually agreeable, any leave which ends in the last nine weeks of a semester shall be prolonged to the end of the semester. She shall also notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. In case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately upon her request and certification of the emergency from an attending physician. This leave may be taken without jeopardy to re-employment, retirement and salary benefits, teacher status, and seniority rights.

The request shall include the expected length of the leave, and except in a situation beyond the control of the teacher, shall be submitted at least thirty (30) days in advance.
 - c. In the event both parents of a child are employed by the corporation, only one of the two may be granted maternity or parental leave for the same period of time. This leave shall be used for the primary purpose of care of a child of which the teacher has legal custody, or in cases of adoption when there is temporary custody with intent to secure legal custody.

F. Adoptive Leave

If it is not possible to submit a written request in advance, an oral request must be made prior to commencement of the absence, followed by a written request upon return.
2. An accounting of unused personal business days will appear on each paycheck stub. These days may not be used other than in multiples of a half (1/2) day. Unused personal business days shall be transferred to accumulated illness absence at the end of each teacher's contract year.

ARTICLE THREE

PAID LEAVES, COMPENSATORY TIME AND PROFESSIONAL ASSIGNMENTS

 - b. The teacher must give notice, in writing, to the Office of the Superintendent ten (10) working days in advance of taking said day.
 - c. This personal business day cannot be used in conjunction with an unpaid day without a consent agreement between the Board and the ETA.

Emergency requests for personal business immediately preceding or immediately following vacation periods shall be granted only upon approval of the Superintendent or designee.

4. In accordance with Indiana law, no personal business shall be granted for participation in any work stoppage.
5. For the purpose of determining when an emergency exists, "emergency" shall be defined as an unforeseen event which prohibits the teacher from attending to his or her assigned duties.

4. For the death of a close friend, the provisions in paragraph three (3) will be in effect, except that the day(s) will be at the minimum substitute deduction rate, rather than being a paid absence.
5. The Superintendent may grant additional bereavement days with or without substitute deduction.

Request for illness absence shall be given to the principal, supervisor, or designee at least one (1) hour prior to the commencement of the normal school day, except in cases of emergency. These may not be used other than in multiples of a half (1/2) day.

This provision is subject to written verification from the most recent employer.
3. If in any one (1) school year, the teacher shall be absent for such illness, disability, or quarantine less than the provided number of days, the unused days shall accumulate and carry over to no more than ninety (90) days.
4. In the event the employer believes abuse of illness absence by a teacher exists, the employer may put the teacher on notice in the event of further use of illness absence by the teacher, the employer may require the teacher to verify such illness or disability by a written statement signed by a licensed practicing physician which in the case of personal illness affirms the teacher is unable to fulfill his or her normal assigned duties because of such illness or disability.
5. In the event the employer believes an improper application of illness absence by a teacher exists, the employer upon notice to the teacher no less than twenty-four (24) hours prior to the teacher's return to work may require the teacher to verify such illness or disability in the same manner as provided by paragraph four (4) of this section.
6. The employer may, in the event paragraph four (4) or paragraph five (5) applies, select a licensed physician to examine the teacher or family member in question. In such event, the employer shall pay the costs of such examination.
7. In the event a prolonged illness of a member of the immediate family occurs, the Superintendent may grant additional days with pay, with substitute deduction, or without pay.
8. For a serious illness of a close friend, or family member who is not a member of the immediate family, the provisions in paragraph one (1) will be in effect, except the day(s) will be at the minimum substitute deduction, rather than being a paid absence.
9. A teacher who believes he/she has substance abuse/misuse problems may request appropriate benefits, including a health leave, for assessment and/or treatment purposes(s).

J. Personal Illness Bank

A personal illness bank was created to provide a bank of days upon which teachers may borrow in cases of extended absence when the teacher is ill, physically disabled, or quarantined. A teacher may apply for a loan from the bank under the following conditions and procedures:

3. Applications shall be made in writing to the chairperson of the Personal Illness Bank Committee and shall be accompanied by an affidavit signed by a physician licensed to practice medicine, certifying said teacher is temporarily disabled. "Temporarily disabled" shall mean inability to perform the duties of the teacher. 9. The Personal Illness Bank Committee may recommend to the Superintendent a waiver of any of the above conditions or procedures.

K. Involuntary Health Leave

The cost of the examination will be borne by the Board. After such examination, and based upon the results of the examination, the Board may place a teacher on a paid administrative leave for health reasons. B. 401(a) Severance, Retirement, and VEBA Plan

1. Severance:

The Employer shall establish a qualified 401(a) Severance Plan for each teacher employed under a teacher's contract with the Elkhart Community Schools on January 1, 2006, or on a Board approved Leave of Absence on that date. The total sum of the amount calculated by Educational Services Corporation as the present value of severance benefits calculated under the terms of the Master Contract in effect on January 1, 2006, shall be contributed to each teacher's individual Severance Plan on or before October 1, 2006. A teacher must have served in the Elkhart Community Schools for ten (10) years and reached the age of fifty (50) or fifteen (15) years in the Elkhart Community Schools and reached the age of forty-five (45) to be vested in the 401(a) Severance Plan. The teacher's age is determined as of December 31st in the calendar year the teacher's final contract expires.

The vendor for said 401(a) Severance Plan shall be selected by mutual agreement of the ETA and the Board.

The terms and conditions for administration of the 401(a) Severance Plan shall be as follows:

- a. The amount calculated for each teacher will be invested in a separate account. There will be no commingling of accounts and each teacher may determine how his or her account shall be invested among the investment options made available by the investment vendor for this 401(a) Severance Plan.
- b. Until such time, the teacher has properly severed employment by having given a proper written notice and actually severing employment, the teacher shall have no access to the assets held in his or her separate 401(a) Severance Plan account.
- c. Proper notification shall be construed as written notification of such teacher's resignation for the forthcoming year received by the Superintendent prior to August 1 or the signing of the last individual teacher's contract, whichever comes later. In the event the teacher does not give notice as required and resigns due to ill health, accident, or when mutually agreeable, the required notice shall be waived by the employer.
- d. If a teacher dies or severs employment before satisfaction of the vesting requirements set forth in this agreement, the terminated teacher's 401(a) Severance Plan account shall be forfeited. The ETA president shall receive a list of those teachers whose accounts have been terminated pursuant to

APPENDIX D

RETIREMENT BENEFITS – *(This appendix is included for reference purposes only as it relates to prior agreements entered into by both parties of this agreement)*

this appendix, which shall list the teacher's name and the total value of the terminated accounts. The ETA president will receive this list at the end of the plan year. The forfeited amounts shall be reallocated at the end of each plan year only among the remaining separate 401(a) Severance Plan accounts in a manner similar to that used in initially determining the present value calculations and deposited in teacher accounts by June 1. Therefore, the 401(a) Severance Plan accounts of the following teachers will not share in the reallocation of a forfeiture of a 401(a) Severance Plan account.

- (1) Teachers who forfeited their 401(a) Severance Plan accounts in the same year
- (2) Teachers who previously forfeited their 401(a) Severance Plan accounts
- (3) Teachers who have attained the age of 59 and terminate employment in or before the year of reallocated forfeiture

The 401(a) Severance Plan accounts of teachers who have attained the age of 59, but have not terminated employment may share in the reallocated forfeiture, but on a reduced actuarial basis.

- e. Amounts forfeited upon termination of employment because of failure to meet applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently re-hired or re-employed by the employer. Said teacher shall be treated as a "new-employee" and only be entitled to the benefit for teachers hired subsequent to July 1, 2006. However, if the Board approves a leave of absence for a teacher, such period of leave shall not result in forfeiture, provided the teacher promptly returns to employment upon expiration of the period of leave.
- f. Following severance and the satisfaction of the requirements set forth in this Appendix, the severed teacher may elect to commence distributions from his 401(a) Severance Plan account. If a teacher dies after having satisfied the vesting requirements of this Appendix, the deceased teacher's 401(a) Severance Plan account shall be distributed to the decedent's designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) Severance Plan account.
- g. All costs incurred in the administration of the 401(a) Severance Plan and investment fees shall be paid from the 401(a) Severance Plan assets.
- h. Future Adjustments – The parties agree this Appendix, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current teacher, future teacher, prospective teacher or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood the Board and Association may in the future bargain modifications of any kind to this provision, provided however, the future revision of this Appendix shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Appendix.

2. Retirement:

APPENDIX D

RETIREMENT BENEFITS – *(This appendix is included for reference purposes only as it relates to prior agreements entered into by both parties of this agreement)*

The Employer shall establish a qualified 401(a) Retirement Plan for each teacher employed under a teacher's contract with the Elkhart Community Schools on January 1, 2006, or on a Board approved Leave of Absence. A teacher must have served in the Elkhart Community Schools fifteen (15) years in the Elkhart Community Schools, reached the age of fifty-five (55), and retire from employment with Elkhart Community Schools to be vested in the 401(a) Retirement Plan. The teacher's age is determined as of December 31st in the calendar year the teacher's final contract expires.

The vendor for said 401(a) Retirement Plan shall be selected by mutual agreement of the ETA and the Board.

The 401(a) Retirement Plan's terms and conditions for administration of the 401(a) Retirement Plan shall be as follows:

- a. The amount calculated for each teacher will be invested in a separate account. There will be no commingling of accounts and each teacher may determine how his or her account shall be invested among the investment options made available by the investment vendor for this 401(a) Retirement Plan.
- b. Until such time the teacher has properly retired from employment with Elkhart Community Schools by having given a written notice accepted by the employer, and actually retiring from employment, the teacher shall have no access to the assets held in his or her separate 401(a) Retirement Plan account.
- c. Proper notification shall be construed as written notification of such teacher's retirement for the forthcoming year received by the Superintendent prior to August 1 or the signing of the last individual teacher's contract, whichever comes later. In the event the teacher does not give notice as required and retires due to ill health, accident, or when mutually agreeable, the required notice shall be waived by the employer.
- d. If a teacher dies or severs employment before satisfaction of the requirements set forth in this agreement, the terminated teacher's 401(a) Retirement Plan account shall be forfeited. The ETA president shall receive a list of those teachers whose accounts have been terminated pursuant to this article, which shall list the teacher's name and the total value of the terminated accounts. The ETA president will receive this list at the end of the plan year. The forfeited amounts shall be reallocated at the end of each plan year only among the remaining separate 401(a) Retirement Plan accounts in a manner similar to that used in initially determining the present value calculations and deposited in teacher accounts by June 1. Therefore, the 401(a) Retirement Plan accounts of the following teachers will not share in the reallocation of a forfeiture of a 401(a) Retirement Plan account.
 - (1) Teachers who forfeited their 401(a) Retirement Plan accounts in the same year
 - (2) Teachers who previously forfeited their 401(a) Retirement Plan accounts
 - (3) Teachers who have attained the age of 59 and terminate employment in or before the year of reallocated forfeiture

APPENDIX D

RETIREMENT BENEFITS – *(This appendix is included for reference purposes only as it relates to prior agreements entered into by both parties of this agreement)*

The 401(a) Retirement Plan accounts of teachers who have attained the age of 59, but have not retired from employment with Elkhart Community Schools may share in the reallocated forfeiture, but on a reduced actuarial basis.

Amounts forfeited upon termination of employment because of failure to meet applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently re-hired or re-employed by the employer. Said teacher shall be treated as a “new-employee” and only be entitled to the benefit for teachers hired subsequent to July 1, 2006. However, if the Board approves a leave of absence for a teacher, such period of leave shall not result in forfeiture, provided the teacher promptly returns to employment upon expiration of the period of leave.

- e. Following retirement and the satisfaction of the requirements set forth in this Appendix, a retired teacher may elect to commence distributions from his 401(a) Retirement Plan account. If a teacher dies after having satisfied the requirements of this Appendix, the deceased teacher’s 401(a) Retirement Plan account shall be distributed to the decedent’s designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) Retirement Plan account.
- f. All costs incurred in the administration of the 401(a) Retirement Plan and investment fees shall be paid from the 401(a) Retirement Plan assets.
- g. Future Adjustments – The parties agree this Appendix, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current teacher, future teacher, prospective teacher or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision of this Appendix shall not affect the retirement benefits of teachers already receiving benefits pursuant to this section.

3. VEBA:

The Employer agrees to establish and maintain VEBA (Voluntary Employee Benefit Association) Plans pursuant to § 501(c) (9) of the Internal Revenue Code for each teacher employed under a teacher’s contract

Teachers will be assigned to a VEBA Plan based upon their individual employment date. Teachers will not be authorized to participate in multiple plans.

- a. Teachers employed prior to 1/1/2006

The employer agrees to establish a VEBA Plan for teachers under contract with the Elkhart Community Schools on January 1, 2006, or on a Board approved Leave of Absence at such time. A teacher must have served in the Elkhart Community Schools fifteen (15) years, reached the age of fifty-five (55), and retired from employment with Elkhart Community Schools to be vested in the VEBA account. The vendor for said VEBA shall be selected by mutual agreement of the ETA and the Board.

APPENDIX D

RETIREMENT BENEFITS – *(This appendix is included for reference purposes only as it relates to prior agreements entered into by both parties of this agreement)*

The terms and conditions for the administration of each VEBA account, established by Elkhart Community Schools pursuant to this section, shall be as follows:

- (1) The amount contributed for each teacher will be invested in a separate account. There will be no commingling of accounts and each teacher may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.
- (2) Until such time a teacher has retired and satisfied the eligibility requirements set forth in this Appendix, the teacher shall have no access to the assets held in his or her separate VEBA account.
- (3) If a teacher retires or otherwise terminates employment before satisfaction of the requirements set forth in this Appendix, the terminated teacher's VEBA account shall be forfeited. However, if a teacher who is otherwise qualified by virtue of age and years of experience dies, said teacher will be viewed as having vested in their VEBA. The ETA President shall receive a list of those teachers whose accounts have been terminated pursuant to this Appendix, which shall list the teacher's name and the total value of the terminated accounts. The ETA President will receive this list at the end of the plan year. The forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts in a manner similar to that used in initially determining the present value calculations and deposited in teacher accounts by June 1. Therefore, the VEBA accounts of the following teachers will not share in the reallocation of a forfeiture of a VEBA account.
 - (a) Teachers who forfeited their VEBA accounts in the same year,
 - (b) Teachers who previously forfeited their VEBA accounts; and
 - (c) Teachers who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA accounts of teachers who have attained the age of fifty-nine (59) but who have not terminated employment may share in the reallocated forfeiture, but on a reduced actuarial basis.

- (4) Following retirement and the satisfaction of the requirements set forth in this Appendix, a retired teacher may use the amounts held in his/her separate VEBA account, for example, to pay health insurance premiums, term life insurance premiums, and to be reimbursed for unreimbursed medical expenses of the teacher, spouse, and dependents. Furthermore, following the death of a teacher who had otherwise satisfied the requirements of this Appendix, any amounts remaining in the deceased teacher's VEBA account may continue to be used to pay these premiums and expenses of the teacher's spouse

and dependents. At no time may the VEBA make loans to a teacher, his/her spouse, or his/her dependents.

b. Teachers employed after January 1, 2006

Teachers first employed by Elkhart Community Schools after January 1, 2006, or re-employed after a break in service, shall be entitled to a contribution. Teachers who retire from ECS shall be entitled to include, for the purpose of vesting, years of service recognized by the district from Appendix A upon hire.

The terms and conditions for the administration of said VEBA accounts shall be as follows:

- (1) The amount contributed for each teacher will be invested in a separate account. There will be no commingling of accounts and each teacher may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.
- (2) Until such time that a teacher has retired and satisfied the eligibility requirements set forth in this Appendix, the teacher shall have no access to the assets held in his or her separate VEBA account.
- (3) Following retirement and the satisfaction of the requirements set forth in this Appendix, a retired teacher may use the amounts held in his/her separate VEBA account to pay, for example, health insurance premiums, term life insurance premiums, and to be reimbursed for unreimbursed medical expenses of the teacher, spouse, and dependents. Furthermore, following the death of a teacher who had otherwise satisfied the requirements of this Appendix, any amounts remaining in the deceased teacher's VEBA account may continue to be used to pay these premiums and expenses of the teacher's spouse and dependents. At no time may the VEBA make loans to a teacher, his/her spouse, or his/her dependents.

Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the school corporation. However, if the Board approves a leave of absence for a teacher, such period of leave shall not result in forfeiture, provided the teacher shall promptly return to employment at the end of said leave.
