### Long Term Disability Plan Details & Features

**Disability** means that, solely because of a covered injury or sickness, you are unable to perform the material duties of your regular occupation or you are unable to earn 80% or more of your indexed earnings from working in your regular occupation. After benefits have been payable for 24 months, you are considered disabled if solely due to your injury or sickness, you are unable to perform the material duties of any occupation for which you are (or may reasonably become) qualified by education, training or experience, or you are unable to earn 80% or more of your indexed earnings. We will require proof of earnings and continued disability.

#### Covered Earnings

Covered earnings mean your wages or salary, not including bonuses, commissions and other extra compensation.

#### Earnings While Disabled

During the first 24 months that benefits are payable, benefits will be reduced if benefits plus income from employment exceeds 100% of pre-disability covered earnings. After that, benefits will be reduced by 50% of earnings from employment.

#### Pre-existing Conditions

Benefits are not payable for medical conditions for which you incurred expenses, took prescription drugs, received medical treatment, care or services (including diagnostic measures,) or for which a reasonable person would have consulted a physician during the 3 months just prior to the most recent effective date of insurance.

Benefits are not payable for any disability resulting from a pre-existing condition unless the disability occurs after you have been insured under this plan for at least 12 months after your most recent effective date of insurance.

#### Benefit Duration

Once you qualify for benefits under this plan, you continue to receive them until the end of the benefit period shown below, or until you no longer qualify for benefits, whichever occurs first. Your benefit period begins on the first day after you complete your elimination period.

Should you remain disabled, your benefits continue according to the following schedule, depending on your age at the time you become disabled.

Duration of Payments	Age at Disability							
	62 or Younger	63	64	65	66	67	68	69+
Number of Months Benefits Paid	To age 65 or the date the 42 <sup>nd</sup> monthly benefit is payable, if later	36	30	24	21	18	15	12

### Limited Benefit Period

Disabilities caused by or contributed to by any one or more of the following conditions are subject to a lifetime limit of 24 months: Anxiety-disorders, delusional (paranoid) or depressive disorders, eating disorders, mental illness, somatoform disorders (including psychosomatic illnesses).

Benefits are payable during periods of hospital confinement for these conditions for hospitalizations lasting more than 14 consecutive days that occur before the 24-month lifetime limit is exhausted. Once the 24-month benefits are exhausted, the plan pays no further benefits.

Disabilities caused by or contributed to by any one or more of the following conditions are subject to a lifetime limit of 24 months: Alcoholism, drug addiction or abuse.

Benefits are payable during periods of hospital confinement for these conditions for hospitalizations lasting more than 14 consecutive days that occur before the 24-month lifetime limit is exhausted. Once the 24-month benefits are exhausted, the plan pays no further benefits.

### Family Survivor Benefit

If you die while receiving disability benefits, we will pay a survivor benefit based on 100% of the total of your last month's benefit plus the amount of any disability earnings by which this benefit had been reduced for that month. This plan pays a single lump sum equal to 3 months of benefits. We pay this benefit directly to your lawful spouse, or to your children in equal shares, if there is no lawful spouse. If you have no lawful spouse or children, we pay this benefit to your estate.

### Cost-of-Living Adjustment (COLA)

Once you have received disability benefits for 12 consecutive months, we will increase your benefit each year, by 3% or the percentage increase in the Consumer's Price Index for Urban Wage Earners (CPI-W), if lower. We will continue these increases for an unlimited period of time. (Note: COLA increases do not affect your plan's overall maximum or minimum benefit provisions.)

### Catastrophic Disability Benefit

If you are receiving disability benefits and, due to your covered injury or sickness: (1) you are unable to perform at least two of the following: eating, bathing, dressing, toileting, transferring, without substantial assistance, or (2) you have cognitive impairment severe enough to require substantial supervision to protect you or others from threats to health and safety -- you may be eligible to receive this benefit. The catastrophic disability benefit is a monthly benefit of 10% of your monthly covered earnings, up to \$5,000, and cannot be reduced by other sources of income.

### Termination of Disability Benefits

Your benefits will terminate on the earliest of any of the following dates: the date the insurance company determines you are no longer disabled; the date you earn from any occupation more than the percentage of indexed earnings as defined in your definition of disability; the date the maximum benefit period ends; the date you cease to get appropriate care; the date you die; the date you refuse to participate without good cause in all required phases of the rehabilitation plan; the date you fail to cooperate with us in the administration of the claim. Benefits may be resumed if you begin to cooperate in the rehabilitation plan within 30 days of the date benefits terminated.
