

The **Freshman Division** provides students with the critical time for transitioning into college and career focused education, while providing them with opportunities for leadership.

The Freshman Division provides students the opportunity to focus on general studies, while exploring courses offered by the six Schools of Study.

Students enter the Freshman Division which provides the foundational skill development for students to transition to the high school. Additional time is provided to explore courses offered in the six Schools of Study. Students spend time discovering their own unique interests as freshmen. Their next step is to select a School of Study for their sophomore through senior years.
