\$4.00 for PT0 Assignment Notebook-Every student needs to use this assignment notebook-please do not purchase others. We uniformly write down our assignments on a daily basis and we will use this notebook from the first day until the last day of school.

We will be having gym class once a week and would prefer that the boys and girls have a pair of gym shoes to leave at school. An extra sweater or sweatshirt kept in the locker will help when the student feels the need to be warmer.

Backpacks must fit in the lockers. Most backpacks with wheels are impossible to fit in the lockers, so please be careful when these are purchased. Fieldtrips and other outside learning activities have also been a part of the 4th grade curriculum in the past. If these can be done again, some may have a small fee. As the dates and times for these programs are finalized you will receive more information.

Thank you,
